THREE KILLED IN OWSLEY BATTLE.

Three men were killed and one injured in a general fight that grew out of the primary election in the upper Buffalo Creek district in Owsley county, according to a dispatch received from London, Ky. The names of the dead as given are Gilbert Harris, Claude Gilbert, that of the wounded man as Sid Gabbard.

At Sterns, Homer Powell was shot and killed in a quarrel relating to a local contest. The authorities are seeking Burrell West, who is accused.

According to information received from Nicholas county, Charles and Wigg Bowen were probably fatally stabbed in a fight with John Drierly and Gabe Ritchie. It is said they quarreled over the merits of rival candidates.

Trying to Be Reigned.

"So you've lost your nice pussy cat," sympathized grandma, hearing sad news. "Too bad! I know how you loved him. You miss him dreadfully, I suppose?" "Oh, yes, I miss him some," six-year-old John replied, with an air of chastened sorrow, "but then, grandma, since I've heard so much about this germ business I try to think it's just as well."

Important Shipping Point.

As a distributing and trans-shipping center and a coaling station, Alden ranks with the most important ports in the near east. Millions of skins and hides are shipped to Europe and the United States every year.

HAMILTON WANTS TO BE THE SPEAKER.

Representative Elwood Hamilton, of Franklin, nominated Saturday to succeed himself, said he would announce his candidacy for Speaker of the House upon his return from Baltimore, where he went Monday to represent the local lodge of Eagles at the Grand Aerie.

In the Library.

I never come into a library (saith Heinsius) but I bolt the door to me, excluding lust, ambition, avarice and all such vices whose nurse is idleness, the mother of ignorance and melancholy herself; and in the very lap of eternity, among so many divine souls, I take my seat with so lofty a spirit and sweet content that I pity all our great ones and rich men that know not their happiness.—Robert Burton.

COSTLY TREATMENT.

"I was troubled with constipation and indigestion and spent hundreds of dollars for medicine and treatment," writes C. H. Hines, of Whitlow, Ark. "I went to a St. Louis hospital, single to a hospital in New Orleans, but no cure was effected. On returning home I began using Chamberlain's Tablets, and worked right along. I used them for some time and am now all right." Sold by all dealers. (August)

Way of the World.

Two little girls were playing "house" with their dolls and having a lovely time. A little seven-year-old boy watched their play laughingly for awhile and then said: "Ain't you kids got no use for a father?"

There Lay the Worry.

"I say, Sambo," asked a man of an improvident negro who had lost a job for the third or fourth time, "aren't you worried over the question of wherewithal to support you?" "Lordy, Marse Henry," was the reply. "I ain't worryin' 'bout wherewithal, I see worryin' 'bout de wheresome fur de herein."

GOOD REASON FOR HIS ENTHUSIASM.

When a man has suffered for several days with colic, diarrhoea or other form of bowel complaint and is then cured sound and well by one or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as is often the case, it is but natural that he should be enthusiastic in his praises of the remedy, and especially is this the case of a severe attack when life is threatened. Try it when in need of such a remedy. It never fails. Sold by all dealers. (August)

INSIST ON PURE SEED

Farmer May Determine Whether Grain Contains Impurities.

Great Care Should Be Exercised to Prevent Introduction of Noxious Weeds Upon Land Difficult of Eradication.

(By O. I. TILLMAN.)

By studying carefully the characteristics—size, shape and color—of grain and weed seeds, the farmer will be enabled to determine whether or not his grain contains impurities. Great care should be taken to prevent the introduction of noxious weeds upon land, as they are difficult to eradicate

Care With Turkeys.

Always be sure that every part of any inclosure where the turkey hen and poults are kept is well drained, sometimes the hen will sit down at night in a low place, and a heavy rain will fill the depression with water and chill or drown the poults.

Kale in the Garden.

Do not forget in planting your garden to provide for a patch of kale. There are different varieties, each of which is good.

"I am an old man—and many of my troubles never happened."—ELBERT HUBBARD

THE white hair and wrinkled faces of our busy men and women tell of doubt, fear and anxiety—more than disease or age. Worry plays havoc with the nervous system—so that digestion is ruined and sleep banished. What oil is to the friction of the delicate parts of an engine—

DR. PIERCE'S

Golden Medical Discovery

is to the delicate organs of the body. It's a tonic and body builder—because it stimulates the liver to vigorous action, sends the stomach to assimilate food—thus enriching the blood, and the nerves and heart in turn are fed on pure rich blood. Neuralgia "is the cry of starved nerves for food." For forty years "Golden Medical Discovery" in liquid form has given great satisfaction as a tonic and blood maker.

Now it can be obtained in tablet form—from dealers in medicine or send 50 one-cent stamps for trial box. Write R. V. Pierce, Buffalo.
